Mayor's Desk by Cr Rachel Chambers

NEW WEBSITE LAUNCHES ON
MONDAY, 5 SEPT 2016

Check it out at www.northburnett.qld.gov.au

Talk soon,
Rachel.

We blew up our website! Well not literally, but in every other sense of the word, we are just about to flick the switch to make it disappear. On our eternal quest for improvements in productivity we have found the need to upgrade/revamp/basicly blow up our previous website and start again. This is great news for those of us who routinely use websites to pay bills, interact and go online to find information.

As of Monday, 5th September you will hopefully be able to find information and interact with council with much more ease, and in a much more succinct way. As for paying bills, this functionality will be rolled out in the coming months. This is the start of the process not the end, and as such we invite all feedback to enable us to produce the most effective website possible.

TEMPORARY BRIDGE CLOSURES

As part of North Burnett Regional Council's NDRRA program, the following bridges will be closed for approximately two (2) weeks **from Saturday, 17 September** (weather permitting) while betterment works are undertaken:

- Burnett River No. 1 Bridge located on Humphery Binjour Road, Gayndah;
- Reids Creek located on Mt Debatable Road, Gayndah; and

The projects will involve the reconstruction of one or both of the bridge approaches and replacement of the sealed pavement with concrete.

Due to the project scope, Council is unable to construct side tracks for these locations, thus work has been scheduled to coincide with the finish of the fruit picking season and to minimise disruption to local school buses.
