The following conditions must be adhered to:

- Landholders must bring their Rates Notice to the baiting centre.
- All participants must bring sealed containers large enough to carry the baits.
- Landholders must give at least 72 hours notice, (prior to laying baits), to all neighbours whose property boundary falls within 1km of the proposed bait site, or any adjoining neighbours.
- Landholders must ensure baits are not laid within 2km of any habitation (includes houses, schools, public facilities) unless written notification has been given.
- No baits are to be laid within 5km of a town.
- An 'Authority to Sign' form is required if you intend to pick up baits on behalf of properties owned by other landholders.

Feral Pig

Wild dog

Landholders who do not comply with these conditions will NOT have their intended meat injected with 1080.
