

North Burnett: Free NDIS information session

Getting communities and providers ready for the NDIS

The National Disability Insurance Scheme (NDIS) will soon be available in Monto in the North Burnett region.

To support the roll out of the NDIS in this area, a free information session is being held for families, carers and people with disability within the community, including service providers.

The session will provide general information about the NDIS how it can be accessed and how to become a registered provider.

Join our team to learn more about how to get NDIS ready.
