

North Burnett Ag Network Transport Survey

The purpose of this survey is to better understand road network needs in the North Burnett.

Please provide information on your major business inputs and products sold where road capacity/limitations are important and only complete fields that apply to your business/industry. **Along with this survey, it would be fantastic if you could also please mark important in and out routes on the attached map.**

Business name:	
Business location:	
Business phone:	
Business email:	
Contact person:	
Main business:	
Secondary business:	

INPUTS

Transport inputs <i>What is being transported in?</i>	Annual Volume (tonnes, head etc.) Approx. how much is brought in each year?	Frequency How often are goods transported in? e.g. weekly, monthly, quarterly	Origin region/town(s) Where does it come from?	Body/Semi/B double What generally is the size of the truck?	Units per truck How many on each truck?	Location of capacity limiting road infrastructure - incoming Is there a particular part of the road network where capacity constraints are contributing significantly to transport costs/inefficiency? If so, where?
Livestock						
Grain- bulk						
Livestock ration						
Hay/cotton seed etc.						
Fertiliser (if significant)						
Fuel (if significant)						
Other (please identify)						

OUTPUTS

Transport Outputs <i>What is being transported out of your business?</i>	<u>Annual Volume</u> (tonnes, head etc.) Approx. how much is sent out each year?	<u>Frequency</u> How often are goods transported out? eg. weekly, monthly, quarterly	<u>Destination</u> region/town(s)/transport hub Where is it going to?	<u>Body/Semi/B double</u> What generally is the size of the truck?	<u>Units per truck</u> How many on each truck?	<u>Location of capacity limiting road infrastructure - outgoing</u> Is there a particular part of the road network where capacity constraints are contributing significantly to transport costs/inefficiency? If so, where?
Cattle						
Pigs						
Citrus						
Other horticulture						
Grain /Peanuts/Nuts						
Hay/chaff						
Milk						
Timber						
Resources						
Other – please identify						

Are the products sold commercially and if so, where?

Are the products exported?

If so, which local and state roads do you generally utilise as a route to a transport hub/port/saleyards/marketplace etc.

Is your business impacted as a result of the condition of Local and State roads?

If yes, please provide examples and information to assist with measuring that impact:

Would improvements to the Local and State roads mentioned enable your business to realise increased financial returns, productivity, business growth or employment?

If yes, please provide information or data to quantify these returns:

Would improvements to the Local and State roads mentioned enable your business to explore business diversification opportunities, export markets or innovative business practices?

If yes, please provide information about these opportunities:

Any further comments regarding transport routes/needs in the North Burnett?

I (Name) declare that the information provided in this survey is accurate to the best of my knowledge.

Signed:

Date:

Please return completed survey by Friday 13 July to:
connect@biedo.org.au or
PO Box 115, Murgon 4605

Please note: information provided in this survey will be used by the
North Burnett Regional Council and Department of State Development, Manufacturing, Infrastructure and Planning
to assist with decision making regarding transport in the region.

Your time and input is greatly appreciated, thank you.
