## **BALLET BRINGS CREATIVE OPPORTUNITY TO GAYNDAH & MUNDUBBERA**

Queensland Ballet continues its commitment to sharing the gift of ballet throughout Queensland when its Edsquad tour kicks off in May.

Artistic Director Li Cunxin said the QB Edsquad will visit 24 communities from Cloncurry to Cairns and St George, offering a range of new workshops to cater for all ages and ability levels.

“The aim of our Edsquad tour is to inspire regional Queenslanders to experience the physical, social and emotional benefits of dance through accessible arts opportunities,” Mr Li said.

“Although we can’t always take our Company performances to every community, we like to tailor opportunities for everyone to engage with ballet.

“Our Edsquad is a team of highly skilled Teaching Artists, all former professional dancers themselves, who bring outstanding teaching and coaching experience to these workshops.”
